## Greetings From MAYOR ROVERO

The Town of Putnam is pleased to join with the Putnam Merchants Association and the Antiques Marketplace to publish the Putnam Traveler. As a life-long Putnam resident and seven-term Mayor, I feel a sense of pride when visitors tell me how much they have enjoyed the beauty and uniqueness of Putnam and its surrounding area. We appreciate our visitors and want to make their visit special and memorable.

Our bustling downtown is visitor-friendly. Parking, restroom facilities and ATMs are conveniently located. Restaurants and shops offer a variety of intriguing choices. Our large Antiques District is a particularly engaging place with endless treasures ready to be discovered. If you are planning to stay with us, area bed and breakfasts are first class. We are particularly proud of our riverfront and the Putnam River Trail so popular with walkers, bikers and picnickers. This year, we have added a new Victorian band shell and will soon be hosting community concerts. Also coming is the new River Mills Heritage Trail linking six historic mill properties in a celebration of our role in this country's industrial revolution.

Putnam has a spirited sense of place. The strength of any successful town is in its people, the quality of life to which they aspire and their commitment to a continuing renewal of their community. We are always improving and reinventing ourselves. Putnam is a strong community growing stronger. Visit us and capture the Putnam spirit.

And, don't forget to check us out at our website: [www.putnamct.us](http://www.putnamct.us)
