1. Install the app from the Amazon store:

Search for “overdrive” in the Amazon store on your device. Download and install the OverDrive Media Console app.

2. Authorize your device:

The first time you open the app, you will see the following message:

“To read Adobe eBooks, you must first authorize this application with your Adobe ID. Don’t have an Adobe ID? Register at Adobe.com now.”

Tap “Register at Adobe.com”

Enter your name, email address, and a password to create your Adobe ID. Then, return to the Console app, tap “Sign in,” and enter your email address and the password.

If you choose to authorize your device later, swipe across your screen from left to right to access the “Settings” menu. Tap “Authorize” to register for an Adobe ID and sign in.

2. Choose your library:

Tap the “back” arrow on your device to return to the main menu. Then tap “Add a Library.”

Enter your library’s name, your town’s name, or your postal code. Then tap “Search.”

When you find your library, tap on its name. Tap the star next to “Bibliomation Downloadable eMedia Catalog.” The star will turn yellow. This will save Bibliomation’s OverDrive catalog to your “Get Books” list so you will not have to search for your library the next time you use the app.

Tap anywhere to the right of the star to enter Bibliomation’s OverDrive catalog.

3. Sign in:

Click “Sign In” to access your account.

Begin typing your library’s name. Choose it from the list when it appears. Then, type in your library card number.

4. Find a book to check out:

You can browse the collection by choosing a category from the home page, or by clicking in the “Search” box and entering a title, author, or keyword.

6. Check out your book:

Click on the book cover. Click “Borrow” to check the book out.

If all copies of the title are checked out to another user, you will see a “Place a Hold” button instead. Click here and enter your email address to be notified when the book is available to check out.

7. Getting your book:

Once the book is checked out to you, it will appear on your bookshelf. You have several options for reading your book on your mobile device:

OverDrive READ

This option allows you to read the book without downloading it. Tap “Read (in your browser)” to begin.

The first time OverDrive READ opens, a tutorial will play. Click “Next” to see all of the steps.

Down load to the OverDrive App

To download the book, click the “Download” button and select “Adobe EPUB eBook”. Then click “Confirm & Download.”

The book will appear on the bookshelf in the OverDrive app. Tap the cover to read it.

Transfer to the Kindle App

Tap the “Download” button and select “Kindle Book.” Then click “Confirm & Download.”

After clicking “Confirm & Download,” you will be redirected to Amazon.com. You will complete the transfer process from here.

Click “Get library book.” If you are not already signed into your Amazon account, you will be prompted to sign in now. If you own more than one Kindle, make sure your Kindle fire is selected from the list. Click “Continue” if prompted.

The book will be delivered wirelessly to your Kindle the next time your device syncs.
