## **SCOPE OF WORK**

### **Construction Equipment Rental**

The bidders will submit hourly equipment rental rates, including operator, for the following pieces of construction equipment:

- Excavator
- Grader
- Bulldozers
- 5 to 10 ton vibratory roller
- 10 ton or larger static roller
- Self-propelled bituminous paving machine
- Minimum 10 cubic yard dump trucks
- Front End Loader
- Backhoe
- Other construction equipment owned by the bidder

The bidder will submit prices, minus the material to be purchased by the Town of Putnam, for the following services:

- Asphalt Roadway Milling per Square Yard
- Asphalt Base Stabilization (Reclamation) per Square Yard
- Bituminous Concrete installed per ton
- Cold Mix bituminous concrete installed per ton
- Drainage pipe installed by per foot
- Catch basin sump, riser and top installed complete to finish grade each

The bidder will furnish the following with the SEALED BID:

- Proof of an Active Drug and Alcohol Testing Program.
- Workmen's Compensation and Employer's Liability Insurance Certificates

The successful bidder will be required to name the Town of Putnam as an Addition Insured on their Commercial General Liability Insurance.

The successful bidder will be required to furnish equipment on an as needed basis with 24-hour notice from the Town. The contractor will be required to begin installation of asphalt or drainage material within fifteen days of notice from the Town.

The successful bidder will be available to the Town from the award date of bid through June 30, 2018.
